The 4th of September 09.

To Whom It May Concern

I hereby, Jerome PELLERIN, Captain of the Sailing Yacht, SAVANNAH, 90 ft., net tonnage: 56.80; British Flag; certify that, Mr. Petr Hloucal d.o.birth 26.07.1975 has been employed as Crew on board from the 22th of April 09 until the 4th of September 09. During this time we delivered the yacht from St.Tropez to Lymington(UK). We were at sea all the time of his embarkment (**28 days**). I employed Petr also for the regattas in the Solent during all the summer. He was a conscientious, hard-worker, sober, clean, polite crew member to my entire satisfaction.

He has a keen interest to learn, and stay positive under pressure. I am sure that he will be a good Master for Sailing or Motor Yachts.

I will be please to confirm to anyone my words.

Made this the 4th day of September, 2009
